

Descriptions of Scholarships Administered by PPS Foundation

The PPS Foundation has 25 unique scholarships to award graduating seniors from all three PPS high schools. Awards typically range from \$500 - \$3,000. Most of the following scholarships require a completion of an online application between November 1 and March 1 of each school year. Please check out our website for more information – www.ppsfoundation.org/student-scholarships.

The Chase White Memorial Scholarship is a scholarship awarded to seniors attending Manual High School in memory of Chase White, who passed away in 2018 while serving his country as a U.S. Deputy Marshal. Chase graduated from Manual High School in 1995 as an honor student. He excelled at and played many sports – baseball, wrestling, track and was especially talented at football. His classmates voted him both “Best Personality” and Prom King. Chase attended the University of Illinois and was a member of Alpha Phi Omega National Service Fraternity. He later went on to receive his Master’s degree from the University of Oklahoma. He also joined the U.S. Air Force and the U.S. Marshals and was awarded posthumously the 2018 Federal Law Enforcement Congressional Badge of Bravery. Chase was funny, caring and accomplished. The recipient of this scholarship should embody the attributes of Chase. He had a vibrant and caring personality and was very active in his community. Eligible applicants should be able to describe how their volunteerism and service allowed them to make a difference in their community. This scholarship was created by the family of Chase White and is administered and held by the Peoria Public Schools Foundation. The award amount for this year is \$1,000.

The Coach Van Honorary Scholarship is a scholarship awarded to seniors attending Manual High School to honor the memory of Coach Van Scyoc. Coach Van (as he was called) deeply inspired those students he worked with over the 28 years he spent at Manual. He exemplified the hard work, compassion, ethical standards and academic excellence that he wanted in his players. He helped his students learn these values through the basketball program that he coached. He was dedicated to his basketball players and his ultimate goal was that they further their education by attending college. The characteristics necessary to be considered for this scholarship are hard work, high ethical standards and compassion for others. The scholarship recipient should be the type of person who has a real desire to make their mark in the world; someone who is not afraid of hard work; someone who is always looking for the best in others and someone who wants to leave the world a better place than they found it. Eligible applicants should have a least a 2.3 GPA and have participated in an extra-curricular activity during high school. Financial hardship will also be given some weight. This scholarship was created by the family of Coach Van Scyoc and is administered and held by the Peoria Public Schools Foundation. The award amount for this year is \$1,000.

The Deven Howard Lane Memorial Scholarship was established by the family and friends of Deven Lane to honor his memory and acknowledge the importance of mental health/suicide awareness. This scholarship is for graduating seniors at Richwoods High School who have participated for at least one year on the cross country team. Deven was a graduate of the Richwoods class of 2022 and was a dedicated cross country runner. He was always the person to crack a smile or a joke and without a doubt illuminated every room he stepped into. He excelled academically (especially in math), was extremely passionate about cars, and loved his black Ford Fiesta known as “Miley”. Deven continued to pursue cross country running at the University of Illinois, where he was attending for a degree in engineering. This scholarship is administered and held by the Peoria Public Schools Foundation. The award amount for this year is \$1,000.

The Diane Thannert Scholarship is a scholarship for the young women at Richwoods High School who have demonstrated an interest in athletics. The recipient of this scholarship must have been involved with an

athletic program at the high school for at least two years. Mrs. Thannert was very active in sports during high school.
